### FALL 2014

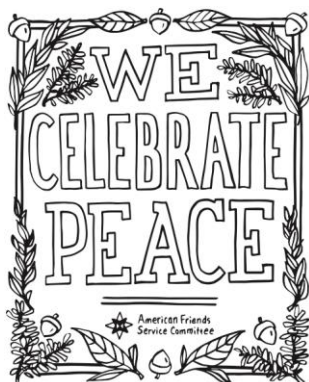

Quaker Religious Education  
Collaborative

## NEW RESOURCES

- Additional websites have been added to the [web resources document](#) housed on the NEYM website:
  - New website for Mary Snyder's "Discovering Our Faith" series "The Discovery series is a Friend's curriculum derived from *lectio divina* and Montessori techniques. It is designed for use in the home, first day school classes and small groups in the meeting or community." [www.discoveringourfaith.com](http://www.discoveringourfaith.com)
  - "Quakers in the World" from Britain YM – a treasure trove of materials and ideas! [www.quakersintheworld.org](http://www.quakersintheworld.org)
- New from FGC QuakerBooks: A biography for ages 10 and up, **Bayard Rustin: The Invisible Activist** [www.quakerbooks.org/book/bayard-rustin](http://www.quakerbooks.org/book/bayard-rustin)
- **Nativity Play Script:** Link [here](#) for a lively play written by a Baltimore YM Friend that weaves Christmas hymns throughout the story.
- **New England YM Resource List for Quaker Parents on the Trans Journey:** [neym.org/qye/quaker-parenting](http://neym.org/qye/quaker-parenting)

*Send us notice of new materials to send out quarterly or add to the resources list.  
Send us your ideas, curriculum, websites to share!*

### From American Friends Service Committee

In time for the winter holidays (and any time, of course) AFSC is excited to share a new children's activity book! [Download for free](#) and share with the children (ages 5-10) in your life, and then hang the results up with string (there's cut out holes in the template for you) to decorate your home or classroom as illustrated peace flags!
